

Project Destiny Meals - Guidelines 2020

Thank you so much for your interest in providing a meal for the Project Destiny Camp Staff! We are very blessed to have your support in our church's outreach program to the urban middle school students in Boston. Despite the current global pandemic, God has still provided an opportunity this summer for Project Destiny to run virtually. Our counselors continue to serve long hours from 7am - 9pm, and they greatly appreciate volunteers providing meals for them.

If you, your small group, fellowship, family, friends, etc. have any questions and would like to provide a meal this summer, please contact Tony Nguyen at tonynguyen3645@gmail.com. See available dates for providing meals and sign up at www.projectdestiny.com/meals.

Here are ways that you can donate a meal to the team this summer:

1. **Donate financially to the team:** Please contact Tony prior to donating money
2. **Order food for delivery or pickup:** Order food for delivery to 120 Shawmut, or for pick-up at the restaurant, and our team can come get it!

Meal Donation Guidelines

- **Generally, we ask that those providing meals would consider this as a donation to the ministry.** However, a limited number of meals can be reimbursed provided that the budget is reasonable. For example, if you would like to be reimbursed for a meal, please do not purchase 17 rib-eye steaks and salmon fillets! **To expedite reimbursements, please reach out to Tony for further instructions.*
- **Below is a list of food allergies/restrictions among this year's team.** Please consider these allergies when planning your menu (i.e. please provide alternatives). If you have any questions, please contact Tony.
 - Kiwi
 - Vegetarian (not strict about broths or cross-contamination)
- **Please have meals ready to be served at 6:30 PM for dinner and 12:00 PM for lunches.**
 - Meals should be donated to **120 Shawmut Ave, Boston, MA 02118**. You will receive drop-off instructions if you are delivering a meal.
 - If you are ordering food for delivery, please order in advance so the food **arrives by 6:15 PM for dinner or 11:45 AM for lunch**.
 - If you are requesting the team pick-up food from a restaurant, please allow for adequate time for staff to go pick up food and be back in time for the meal. *Please be mindful of travel time for staff when considering restaurant locations (near Greater Boston Area) and let Tony know where you are ordering from in advance.*
- **On Thursday evenings, the full staff (senior counselors, junior counselors, interns, planning team) meet together (virtually!) for dinner and Team Night.** Because we have programming for counselors on Thursday nights, please be extra mindful of timing when donating a meal on Thursday.
- **We welcome you to join the staff virtually via Zoom for the meal to meet the team and fellowship!** Please let us know ahead of time if you would like to join, and we will send you information to connect!
- **If the meal requires white rice, please notify Tony and the team will prepare rice for the meal.**
- **Feel free to donate once, or several times!**

Thank you so much for supporting Project Destiny this summer!
